

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

PURCHASED WATER ADJUSTMENT OF)	CASE NO. 92-279
WACO WATER DISTRICT)	

O R D E R

On July 7, 1992, Waco Water District ("Waco") filed its revised tariff with the Public Service Commission ("Commission") for the purpose of adjusting its rates pursuant to the purchased water adjustment procedure. KRS 278.015 and 807 KAR 5:068.

The Commission, having reviewed the evidence of record and being otherwise sufficiently advised, finds that:

1. Waco purchases water from the city of Richmond ("Richmond").

2. Effective July 1, 1992, Richmond will increase its rate to Waco from \$1.30 to \$1.50 per 100 cubic feet. Based on an average monthly usage of 668 cubic feet, the average monthly bill to Waco's customers will increase by \$1.47 from \$19.10 to \$20.57, which is an increase of 7.7 percent.

3. Waco proposed to increase the rates to its customers effective July 1, 1992.

4. During the 12 months ending April 30, 1992, Waco purchased 19,948,500 cubic feet of water and sold 17,763,668 cubic feet.

5. Waco's calculations are correct and show an increase in purchased water costs of \$39,897, resulting in a purchased water adjustment of 22 cents per 100 cubic feet.

6. Waco's proposed rates are incorrect in that Waco rounded the rates rather than adding the exact amount of the purchased water adjustment.

7. The purchased water adjustment of 22 cents per 100 cubic feet and the rates in Appendix A, attached hereto and incorporated herein, are fair, just, and reasonable and should be approved.

IT IS THEREFORE ORDERED that:

1. Waco's proposed rates and tariff are denied.

2. The purchased water adjustment of 22 cents per 100 cubic feet and the rates in Appendix A are hereby approved for services rendered on and after July 1, 1992.

3. Within 30 days of the date of this Order, Waco shall file its revised tariff setting out the rates approved herein.

Done at Frankfort, Kentucky, this 23rd day of July, 1992.

PUBLIC SERVICE COMMISSION
